RHODE ISLAND WALK TO DEFEAT ALS

"Walk Your Way" to show your support and fundraise for those battling ALS in Rhode Island.
IN A WORLD...

where we cannot be physically all together on September 13th, we are grateful for the tools and technology that allow us to make the day special in a way like never before. Across Rhode Island, hundreds of supporters will join together in new ways to hold Mini-Walks in one of the largest events in our Chapter’s history.

PLANNING YOUR WALK

COMMUNICATION IS KEY

Let your team members, past & present donors know the event is a VIRTUAL WALK this year, in the event they haven't heard the news! Decide what your Walk will look like. Will you start at the Team Captain's home, or meet in a central location? Is the area safe for walking and handicapped accessible? Will homes or cars be decorated if you have a Team Caravan parade? Will you host a picnic or post walk party for the team? We will award a prize for the most creative Walk Day team!

SHARE YOUR STORY

TELL PEOPLE WHY YOU ARE PASSIONATE ABOUT ENDING ALS AND UPLOAD A PERSONAL PICTURE OF YOUR ALS HERO ON YOUR FUNDRAISING PAGE.
